Motion made to approve the September Minutes: Sharon motioned, Julie approved.

Old Business:

The Advent/Christmas Liturgies were evaluated. The Advent Reconciliation service was very well attended and had a fresh new format. We ran out hymnals on Christmas Eve in the Abbey Church, it was hard to know what page to find the songs on. We didn't have any Gluten Free hosts available at the Abbey Church. It was suggested that the Pageant be acted out during the Gospel reading instead of before Mass. Jason commented that the Choir members have been lacking in participation. A microphone should have been requested for Elaine on the flute. It was suggested that the choir maybe sing on a more regular basis at mass to practice.

Replace Mar Reischl on the committee and as the Server Coordinator. ACTION: Alyssa will talk to Greg Hansen about being the Server Coordinator. Julie will talk to some of the Sacristans to see if they want to serve a term as coordinator when Chuck's term expires.

New Business:

Liturgy Training: The importance of training new liturgical ministers was discussed. February will include both Lector and musician/cantor training. It was recommended that we recognize these volunteers at masses and that members show their appreciation to them. ACTION: Julie has a good intercession that can be used to thank them during the mass. We will also list a thank you in the bulletin to Liturgical Ministers.

Father discussed the thought of having both parishes Easter Vigil's at Avon. He explained that it would be a good opportunity to share choir and other resources, this may be a option for the future. The committee recommended sharing a mass such as Pentecost. Meeting adjourned by Mary.

Next meeting date: April 12, 2018 at 7:00 pm.
