Monday, March 4, 2024

Present: Joyce, Marian, Therese, Steve, Fr. Brad Absent: Joe, Kevin

Black text are items we discussed. Red text items are further notes/decisions made after the meeting.

How to get the word out about all events - National, Minnesota, Diocese, ACC

We discussed updating the posterboard and if we should have two sets

We will not be updating the posterboard, it has served its purpose

We discussed creating one flyer with links to E. Revival events. That way people have the links and can research details on their own. We will have this available for email to parishioners so they can open the links on their personal devices.

Marian, Julie, Joyce and Fr. Brad are collaborating to come up with a concise flyer.

We will begin to share these in the Easter weekend bulletin.

Extended adoration available during the May 22 – 24 time period (St. Cloud Diocese Pilgrimage time) (Wed – Fri)

Marian and Julie will work on the signup sheets

We have the times decided and signup sheets ready to print. We will post them mid-April.

Corpus Christi procession on June 2

This event is completely planned.

David O's email about Bread of Life discourse

We tabled this discussion until the next meeting.

National Congress attendees

Therese and Scott Wallner will attend for sure. Father will work with Therese directly to get tickets once the diocese releases them.

Future revival ACC wide events...

We nixed the Fred Blonigan as a speaker topic due to having a lot of speakers lately and some people think speaker events have been exhausted as a means of communication for the time being.

Next meeting will be Tuesday, June 12 at 6:30 p.m. Anyone is invited to attend.
