## STAFF SHARING

### FR. BRADLEY JENNIGES, OSB

Recently I've been sensing that we are in a situation somewhat what was looming over us five years ago. Back then I heard a few people talking about having to deal with the impact of a new coronavirus that was starting to spread around the world. Many of us were not expecting the great changes that would happen in a very short time over the weeks that followed.

Over the past month, the Trump administration has been moving quickly to implement the policies that Trump intended to make upon assuming the presidency. There may be higher tariffs and potential counter-measures by other nations that could have a big effect on the price or availability of things we buy. Many federal employees may be fired in order to reduce the cost of government. Perhaps many non-profit institutions will be affected by reductions in federal grants. We may go through upheaval as the effects of these changes work their way through society. Some people will face severe pain as they deal with loss of a job and difficulty in finding similar work in government or the non-profit sector or in private business. Others may be stymied by higher prices or shortages. Some people may prosper from the effects of these changes. People may turn more to their families for help to get through and move forward when there are few other places to turn.

We may be entering a time that will ask who we are as parish communities and as a diocese. People may come to the church seeking help dealing with economic and mental distress. People will look for signs of hope in a time when the way through current difficulties is hidden. Many will seek a solid Truth to trust during times of rapid and ongoing change and a babble of conflicting voices. In this Jubilee Year of Hope, how can our Area Catholic Community be a community where people find hope?

## GOSPEL REFLECTION

7<sup>th</sup> Sunday in Ordinary Time

Today's Gospel is filled with many challenges. Jesus says to the disciples: "...love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you." These challenges go against what is more natural for us to do. We are called to see these situations with the eyes of Jesus and act from a spiritual level. "Be merciful just as your Father is merciful." "Stop judging and you will not be judges...Forgive and you will be forgiven." It is easy for us to stand in judgment of others, but Jesus asks us to trust God and others. Try to see the good in others and treat them as Jesus would treat them. Remember the saying: "What would Jesus do?" This can be a guide for us in our relationships with others. The question makes us stop and think before we react to those who do wrong to us. This week let this question; "what would Jesus do?", be your guide in dealing with those in your family and in your community.

Sr. Betty Larson, OSB

# ACC/AREA EVENTS & ANNOUNCEMENTS

**2025 Lenten Stations, Soup and Speaker Series:**

Brought to you by the Social Justice & Ministry Committee. We have a variety of speakers planned for the 2025 Lent season, please plan to join us on Wednesday evenings during Lent at St. John's Parish Center in Collegetown. Stations of the Cross will be prayed at 5:00 pm. A soup supper (and bread and desserts) will be served at 5:30 pm. Then, at 6:00 pm a speaker will offer short presentations that will help us better understand social justice issues and impacts on our own communities. All are welcome. Feel free to bring a friend. More details about the speakers and schedule will be published in our ACC Lenten Flyer.

**Collections for Laundry Love** Next weekend, March 1 & 2, both parishes will take a special collection to assist the Laundry Love ministry with helping residents with laundry at the Local laundromat in St. Joseph. These special evenings are twice a month, the first and Third Tuesdays of the month. Please plan on bringing a donation with you to Mass next weekend. Thank you.

**Bishop's Annual Appeal Collection:** Envelopes were distributed at Masses on February 15 & 16, and mailed to each household. Your generosity makes it possible to support seminarians and vocations, for rural life ministries, Catholic education, respect for life at all stages, and to provide resources and training for lay ministers throughout our diocese. Contributions can be placed in the collection baskets, or mailed directly to the Diocese.

Loving God,

We ask you to look with favor on your servant Francis, who has served you as a Jesuit, a priest, an archbishop, a cardinal and now as a pope. Most of all, he has served you as a faithful Christian, sharing the love, mercy and compassion that your Son showed to all he encountered, especially those who were poor or struggling. As Francis faces this new illness, help the doctors and nurses who care for him, help him to bear any pain with grace and help him to heal quickly.

We ask this in your Holy Name.

Amen.

### Making Lent Real

Mark your calendar. On Friday, March 7<sup>th</sup> at 10:15, following the Friday Social, Sister Betty will give a presentation on ways to make Lent more real. We are in the habit of making resolutions, but usually these are "giving up something". What can we do positively during the days of Lent? Sister Betty will talk about Prayer, Fasting and Almsgiving and how we can put these into a positive practice for Lent. Come join us.

**Volunteers Needed:** Place of Hope meal transport. The Church of St Joseph provides a meal to Place of Hope once a month. We could use more volunteers to transport the meal from St Joe to St Cloud. It takes about an hour of time. The transport time is usually flexible and can be done in the morning or afternoon. The day of the week that we provide a meal varies. If you would like to be on the email list to help in this ministry, please contact Nancy Ebel at (320) 237-7155.

### UPDATE ON PARISH CHURCH DIRECTORY

I've tried to keep you up-to-date on this process of getting our church directory in our hands.

The latest is that they have a SECOND proofing (checking for errors and proofing the information/photos that will go in it) which I wasn't aware of. There were many errors in it and took me a couple of weeks to get through everything! It was great to see all your "smiles" looking back at me while I was going through it so it made it less rigorous and painless!

This directory has taken another set-back. I'm not even going to set a date anymore as it will be here when it gets here. I do not want to mislead any of you and my hope is that you understand! Maybe the "Easter Bunny" will bring it now--get your baskets out!! Be assured, I will continue to keep you informed on any changes or updates. Any questions please direct them to Connie Horsch 320-363-7589.

## PARISH QUILTER

They meet on Monday mornings starting at 8 am. On-the-job training is provided. If you are interested in joining this group of enjoyable ladies, please contact Delrose Fischer at (510) 461-4231.
